THIS IS DENISON

Each life develops its own topography—each has its hills and its valleys, yet each aspires at every step to greater heights. Denison has taught many things to all of us—things which we hope will aid us in reaching the summits of our ambition. Here we have studied, laughed, cried, and above all, we have learned to know people and ourselves. We hope this book will capture some of those experiences of gaiety, depression and inspiration which makes Denison for each of us.

“To Denison we raise our song
Fair college on the hill . . .
The scene of happy college days
The home we love so well.”

SENIOR CLASS COUNCIL

SENIOR CLASS COUNCIL—John Davis, Bob Dold, Ann Lucas, Michael Hall, Nancy Benham.

“Veni, vedi, vici” would be an appropriate motto for the class of 1960. The senior class has always been an outstanding group and this year’s class is no exception. They are actors, actresses, Woodrow Wilson Scholars, athletes, campus leaders, and campus characters. Homecoming activities and senior revolt day were planned by the class. Climaxing their four years of college is graduation, an end and a beginning.

JUNIOR CLASS COUNCIL

Starting off at a fast pace with planning Dad's Day activities, the class of '61 kept going at this busy pace all year. They worked together to make the traditional Junior Prom a success and, of course, went all out for their class picnic. They were tapped for honoraries and began to plan for honor's projects in their senior year. In April, members of the class moved into the key campus governmental positions and looked to their senior year at Denison with excited anticipation.

Karen Macey, Chet Swett, Sam Armacost, Jane Hopper.

CLASS OF '61

SOPHOMORE CLASS COUNCIL

What is a sophomore? The class of '62 pushed aside the idea of a sophomore slump and showed that they were fully integrated into all phases of Denison life. They had high hopes for the year and planned a May Day celebration that was one of the most beautiful events of the year, sponsored a very successful skating party at the Olde Mill, were tapped for honoraries, became a definite part of the governing body of the school, decided on their majors, and finished the year with high hopes for their junior year.

Gretchen Lighthizer, Wesley Andrews, Mary Koll, Bob McNaughten.

CLASS OF '62

FRESHMAN CLASS COUNCIL

The Freshman Class Council, new to the Denison Community, planned and carried through a very successful year for their class. The first big activity was "The Reaper Rock," a well publicized and attended dance which was open to all class members. A successful car wash was held in the spring for Bonds of Friendship. Those on the council were Judy English, Marcia Lott, Richard Seale, and Sam Dieterich.

Dick Seale, Judy English, Sam Dieterich, Marcia Lott.

"... and I really don't understand it at all!"

INTER-CLASS ACTIVITIES

Activities play an important part in the college life on the hill. Individual classes are kept busy with Freshman, Sophomore, Junior, and Senior activities, but people manage to get together in the union, at the sports events, and just plain relaxing where they are all Denisonians.

Everybody likes popcorn at IM's.

It's time for some really serious studying.
"So, what's wrong with liking to study on the hood of a car?"

SPECIAL EVENTS

Homecoming, 1959, with its theme "Disney's Denison Land" began on Friday, October 9 with a soccer game and a parade of spirited freshmen in pajamas to the bonfire near Livingston gymnasium. Around the bonfire spirits soared as students and alumni cheered for Denison. Late that night and into the early morning hours, students worked on floats and decorations for the next day.

With beat of drum and flourish of majorette baton from the Granville High School band the Homecoming parade down Broadway began at 10:30 on Saturday morning. Fraternity floats followed the band. Among the floats paraded the candidates for Homecoming queen and fraternity, sorority, and dorm characters.

On Saturday afternoon the Big Red team met the Wooster Scots on Deeds Field for the annual football game. That night Homecoming festivities ended with the Homecoming dance.

Finishing touches put on SAE's gigantic elephant.

The candidates for Homecoming Queen, 1959, were Judy Graham, chosen by AOPi; Mike Friel, Alpha Phi; Ann Miller, Chi O; Gina Carver, Tri Delt; Katie Boles, DG; Ann Mittendorf, Independent Association; Karen Macey, Theta; Sy Sherman, Kappa; and Ann Lucas, Pi Phi. During half-time at the Homecoming football game, the candidates were greeted by President Knapp, who announced the Queen elected by the Denison men. Denison's Homecoming Queen for 1959 was Gina Carver and her attendants were Sy Sherman and Katie Boles.

Last year's queen, Kine Icks, congratulates Gina Carver.

D-DAY

Hold that Tiger! With the ringing of this favorite song of Denison students and amid great cheering on the campus, Spring and Fall D-Days began. In the Fall the bells rang at 6:00 in the morning and Denison slept late. When the campus finally aroused itself, it found programs of the day's activities outside. The day started with a brunch on the quad and races including a race on tricycles. The afternoon found Denison students turfing or watching IM soccer games. A picnic at Ebaugh's Pond and a dance that night in Livingston gym rounded out the day.

In the Spring the bells rang in the "Day" at 6:02 in the evening. Then came mad rushing for phones and hurried room cleaning. Dates were met at their doors and a dance was held in front of Livingston. The next morning brought students and faculty to the traditional brunch on the quad. In the afternoon there were baseball games, track meets, and turfing. After the fried chicken picnic at Ebaugh's Pond, Denison returned to study.

No D-Day without turfing.

The show is over, the frosh have won.

Brunch on the quad, a good start for any day.

Is serving brunch that much fun?

Music played under the stars.

That's quite a group to feed!

WESLYAN MIGRATION

Over 250 Ohio Wesleyan students, and even more Denison students participated in the Wesleyan migration in the fall. The migration was planned by the Denison all-school social committee. After the two schools fought on the football field, all collegiates had an opportunity to socialize in both the D.U. and S.A.E. fraternity houses where open-house jam sessions were held.

C. E. DAYS FALL

"Mike" Friel, Elise Linder, and Jack Meeks with Dr. Nelson in an informal discussion group held in the Union following convocation.

The chairmen of the Fall C-E Days, Delma Miller, and Dean Coursen, discuss theme with Dr. Nelson.

SPRING

The Fall Christian Emphasis Days of 1959 and the Life in Focus week of Spring, 1960, both functions of the Denison Christian Association, were ten days of serious thinking and discussion. The ideas arising from the convocations and discussions certainly outlasted the days of concentrated thought and had a definite effect on the campus.

Dr. John Nelson, the guest speaker for the Fall C-E Days, spoke on "Beyond Complexity, Christian Maturity." Several discussion groups led up to Life in Focus week with Dr. William Cole whose talks centered around "Faith, Sex, and Love."

Sue McAllister and Dr. Cole before Life in Focus convocation.

Participating in Life in Focus discussion at the Chi Omega house are Liz Brunsted, Jim Irwin, Dr. Cole, and Jean Ludwig.

BONDS OF FRIENDSHIP

Bonds of Friendship week, held annually at Denison, is climaxed by the Bonds of Friendship show. The show is an entirely student produced event. All proceeds from Bonds of Friendship are contributed to charity.

Mary, Turkey, Gregg and Jerry rehearse a number.

What would we do without the crew?

All eyes on the script.

Two girls, one wish.

MADRAS MANIA

Concluding the social activities for the spring was Madras Mania, held on the week-end preceding the last week of classes. The entire campus made a migration to Spring Valley for an afternoon of swimming, sun, and picnicking.

Sandwich and a smile make for a good time.

You wouldn't!

Caught in the act.

Looks like a spike.

WINTER MOMENT

The air is still, the breath hushes
To keep the crystal catharsis
From mind-wearied desolation
And the end of the quiet sensation.

Feet hurry down the walk
And the silence is broken with talk,
But not before the mind renews
To climb again to newer views.

FRATERNITIES AND SORORITIES

ΣΧ

The ninety-second year of the Mu chapter of Sigma Chi, founded in 1855, was successful in activities, service projects, and social events. By working together, the Sigs were able to excel in the intra-mural athletic races. As a result of this athletic achievement, the Sigs once again had more D-men than any other fraternity on the Denison campus. Their social program was highlighted by parties for orphans, the "Sweetheart Dance," and the annual spring weekend known as the "Bloody Bucket."

Since its beginning at Boston University in 1909, Lambda Chi Alpha has grown to be one of the largest of the Greek letter fraternities. The Gamma Iota Zeta chapter, known as the Sycamore Club, resides in a Georgian colonial house, the result of many years of devoted service by Lambda Chi Alumni. This year the house innovated the custom of honoring Denison's newly-pinned co-eds with a white rose, the fraternity flower. The SAE's had many fine social functions this year, ranging from a "Haunted House" to a "Sweetheart Dance." Again, the chapter ranked second on campus in scholarship as it has for two years.

ACC

The "Fowl Ball" climaxed the social events of the American Commons Club. The mother chapter, founded at Denison in 1917, has promoted the spirit of brotherhood and civic service in addition to promoting social activity. The ACC's outstanding chapter project was working with the children of Franklin Village. This effective combination of contributing to both the campus and community has distinguished ACC at Denison.

ATHLETICS

FOOTBALL

Although the Denison football team did not have a good season, as the 2-5-2 record indicates, they profited greatly in the gaining of experience. The team had a number of talented freshmen this year along with many returning veterans. As the season progressed, much improvement was seen in the team as a whole.

The Denison fans were provided with many colorful and exciting moments throughout the season: the long runs of John Osborn and Nick Musuraca; the bulldozing drives of Gary Hopps; the punting of Ron Witchey, who averaged 36.2 yards a kick.

The team made the dads especially proud as they smashed Franklin and Marshall, 37-8, on Dad's Day for their most impressive victory.

As is customary every year, the Gregory awards were given to the outstanding players. The winners were: Bob Follett—MVP and most efficient lineman; Gary Hopps—most efficient offensive back; John Parrish—most efficient defensive lineman; Tom Young—most efficient defensive back; Al Slicker—most improved player.

Dave Brown and Tom Young were elected co-captains for next year.

BASKETBALL

The "Big Red" wound up with a season record of 6 wins and 13 losses and an Ohio Conference record of 4-10. Captain Tom Edwards led the team in both the scoring and rebounding departments averaging 15.6 points and 11.1 rebounds a game.

The most talked about game was between Denison and Wittenburg. Wittenburg was ranked first in defense and third overall in the U.S. in small college teams. The game was one of control and at half-time the score was 17-12 in favor of Wittenburg. Denison lost 33-17 but scored a tremendous moral victory and earned much respect.

The team broke the free throw percentage record by making 69.5% of their shots compared with the old record of 68.8%. Jerry Weddell and Chuck Andrews were elected as co-captains of next year's team.

Senior Dick Coulter was injured early in the season and missed the opportunity to again be possibly named to the All American Soccer Squad. During his Soccer career at Denison, he set two records—most consecutive games scored in (11), most goals (43),—and tied Shaw Emmons' record of 52 points.

The team records set during the year were: most wins (7), fewest opponent goals (16), fewest opponent assists (6), fewest opponent points (22). Harrison Bub and Tom Moore have been elected co-captains for next year's squad.

Soiled and irate, but it is all part of the game.

WRESTLING

The wrestling team, coached by Mr. Donald Valdes, ended the season with a fine record of 9 wins and 4 losses. This was the first winning season for the grapplers since the sport was re-instated in 1957.

The team was led by Captain George Brown (13-1-1) and seniors Bob Dold (11-0), Bob Sommers (11-5). The rest of the squad was composed of a very talented group of underclassmen including several promising freshmen.

Denison took third place in the Ohio Conference tournament with Dold taking the 177 pound championship, Brown taking the runner-up spot in the 167 pound class, Sommers and Dave Reese taking third places in the 137 and 157 pound classes respectively, and Steve Kesselring placing fourth in the 123 pound class.

George Brown represented Denison in the NCAA wrestling championships. The co-captains elect for next year's team are Steve Kesselring and Dave Reese.

Kesselring applies pressure.

LACROSSE

The Denison lacrosse team ended with a 9-2-1 record which proved to be its most successful season. Co-Captain Roger O'Neill set two school records by scoring 38 goals and 54 points while team-mate Bill White set one with 20 assists. The team placed in the Mid-West Lacrosse Association. Bob Rinehart will captain the team next year.

Which way shall we go?

Denison battles it out with the nets.

In the clear, let's go!

TRACK

Denison's track team failed to win an indoor meet, but copped two outdoor contests, ending the season with a 2-8 over-all record.

Paul Lytle led Coach Robert Shannon's thinclads with 55 points for the season and placed fourth in the shot put in the Ohio Conference championships. Tom Doan, sophomore high jumper, recorded his career high of 6'2" to tie for second place in the Ohio Conference meet. Dan Allison earned fifth place in the pole vault, and Ron Witchey gained fifth in the high hurdles. These men were consistent scorers during the season, and except for Lytle, they will return to bolster next year's squad. Other lettermen who will return are Joe Lewis, a hurdler, and Ken Boyd, a distance runner.

It's close, but he's clear.

INTER-MURAL SPORTS

Beta Theta Pi this year won the I.M. championship for the fourth consecutive year. They beat the second place Phi Gams by 144¼ points.

The Betas were the only team to capture more than one first place. They won speedball, touch football, "A" and "B" basketball, "A" and "B" handball, wrestling, indoor relays, and outdoor track.

Their four straight championships made it possible for them to retire the rotating trophy.
